

# Chart your own path

Amazon has come a long way since opening on the World Wide Web in July 1995. Today, we operate retail websites in multiple countries across geographies, offering products in many categories (books, media, digital, electronics etc.) worldwide, and we still like to work hard, have fun and make history! As an Amazon company, Amazon Ring has been in Taiwan for more than 2 years, and we are looking for fresh college graduates to join us.

## We're hiring Software/Hardware Development Engineers and Interns

Join Amazon & Ring today! We can provide you with:

- A world-class working environment with easy access to top-notch technologies
- Strong and experienced leaders and mentors to guide your growth
- Challenging technical projects with partners all over the world.
- Excellent benefits and employee care
